

Royal London

Queen Elizabeth II, Prince Philip, Prince Charles and Camilla, Katherine and William (the Duke and Duchess of Cambridge) – just some of the members of the Royal Family.

On this tour you will learn where Prince Philip has his hair cut, the mistake made by William on his wedding day, where the Queen shops, both in person and by royal appointment. See a Tudor palace and where the younger members of the family like to party.

Something for all the family.
